

Specialized Transportation Grant Program

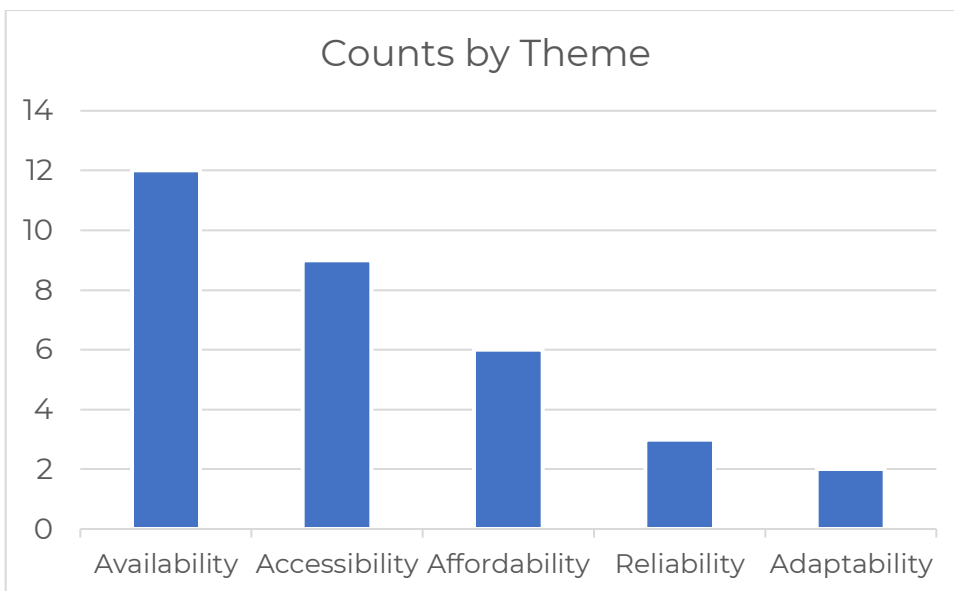

Cycle 13 Call for Projects

Kickoff Meeting

October 10, 2023

Summary of Feedback

1. Which theme most resonates with you? (Availability, accessibility, affordability, reliability, or adaptability)

Based on responses collected through MentiMeter and the Zoom chat, “availability” and “accessibility” were the themes that resonated with most participants.

2. What other specialized transportation needs exist in our region today?

Participants generated the following Word Cloud using Mentimeter in response to this question:

Additionally, below are a few responses provided by participants in the chat:

- “Driver sensitivity training and monitoring.”
- “Agreements with UBER like Los Angeles has (I believe) for subsidized rides.”
- “Provide statistics about the needs and areas with greatest need.”
- “Coordinate with health centers' services.”
- “To help existing small senior transportation agencies to provide more effective transportation to their communities.”

3. What, if anything, should be changed to improve the STGP Program Goal? (The STGP Program Goal is to “improve mobility for older adults and individuals with disabilities by delivering effective, equitable, environmentally responsible, and coordinated transportation solutions in our region.”)

Below are a few responses provided by participants:

- “Perhaps add a reference to affordability.”
- “I would add on-demand to that to make sure it is a focal point of goal.”
- “Program goal should be for wheels on the ground within first quarter of the award.”
- “Include requirements for outreach/engagement with stakeholders/CBOs etc.”
- “Efficient.”
- “N/A - the program goal aligns with our transportation goal.”
