Layer Name	Category	Description	Last Update
Agricultural_Commodity_2020	Agriculture	This dataset consists of polygons for the location of commercial grower sites in San Diego County.	8/28/2020
Agricultural_Preserve	Agriculture	Agricultural Preserves	12/23/2022
Agricultural_Preserve_Contracts	Agriculture	Agricultural Contract Areas (Williamson Act)	4/19/2024
AWM_Certified_Producers_2019	Agriculture	This dataset consists of polygons for the location of Certified Producer agricultural grower sites in San Diego County.	12/16/2020
AWM_Organic_Producers_2019	Agriculture	This dataset consists of polygons for the location of Organic Producer agricultural grower sites in San Diego County.	12/16/2020
Compost_Eligibility	Agriculture	Planning and Development Services Sustainability Planning uses a set of parameters to determine if people are eligible to participate in a compost distribution program.	10/31/2024
Business_Improvement_Districts_SD	Business	City Business Improvement Districts (BID)	4/12/2024
Business_Sites	Business	Countywide Business Sites	7/12/2024
Foreign_Trade_Zones_SD	Business	City Foreign Trade Zones	1/6/2015
Recycling_Market_Development_Zones_CN	Business	County Recycling Market Development Zones	9/15/2014
Census_Block_Group_Tiger_2020	Census	Polygons representing 2020 US Census Bureau census block groups for San Diego County from the United States Census Bureau	11/12/2021
Census_Block_Groups	Census	Polygons representing 2020 US Census Bureau Block Groups for San Diego County from the United States Census Bureau□ □	4/22/2022
Census_Block_Tiger_2020	Census	This dataset comprises polygons of census blocks for San Diego County. The TIGER/Line Files tl_2020_06_tabblock20.shp was downloaded from https://www.census.gov/cgi-bin/geo/shapefiles/index.php. Features located within San Diego County were extracted and	11/12/2021
Census_Blocks_2020	Census	Polygons representing 2020 US census blocks for the County of San Diego. Based on data provided by the US Census Bureau. This data may be edited by SANDAG and/or SanGIS to match local boundary datasets.□ □ Feature Type: Polygon	8/12/2022
Census_Tract_Tiger_2020	Census	Polygons representing 2020 US Census Bureau census tracts for San Diego County from the United States Census Bureau	11/12/2021
Census_Tracts_2020	Census	Polygons representing 2020 US Census Bureau census tracts for San Diego County derived the CENSUS_BLOCK layer.	8/12/2022
Subregional_Areas_2010	Census	Census tracts nest within subregional areas which nest within major statistical areas	4/24/2015
Affordable_Housing_Inventory	Community	The dataset consists of point locations of regional affordable housing developments that have received funding from the County.	11/29/2024
Bike_Master_Plan_SD	Community	City of San Diego Bicycle Master Plan	12/11/2020
Bike_Plan_CN	Community	Bicycle network	7/5/2024
Community_Plan_CN	Community	County Community Plans & Sponsor Groups	5/19/2023
Community_Plan_Implementation_Overlay_Zone_SD	Community	Collection of the ordinances which comprise the Community Plan Implementation Overlay Zone	5/10/2021
Community_Plan_SD	Community	City Community Plans represent the geographic boundaries for the City of San Diego community land use policy plans specific to these geographic areas.	1/27/2023
Community_Points	Community	Community Points. This layer depicts communities and neighborhoods as points with their respective names. Communities within the City of San Diego and the unincorporated areas of San Diego County are included. Used small scale mapping efforts.	8/19/2014

NOTE: The "Last Update" date shown is the date a new file was upoladed to the Regional Data Warehouse web site. The date does not reflect the currency of the data within the layer. See the Metadata report for each layer to determine the currency of the data.

Layer Name	Category	Description	Last Update
Development_Feasibility_Areas_CN	Community	DRAFT - These boundaries represent DRAFT areas in the unincorporated areas of San Diego County for the Development Feasibility Analysis (DFA). These boundaries contain neighborhood sized areas around Buena Creek, Casa de Oro, Spring Valley, and South Lake	11/29/2024
General_Plan_Circulation_Elements_CN	Community	Circulation Element of the San Diego County General Plan provides a framework for a balanced, multi-modal transportation system for the movement of people and goods within the unincorporated areas of the County of San Diego.	7/5/2024
General_Plan_Existing_CN	Community	County General Plan identifies the general location and intensity of housing, business, industry, open space, education, public buildings and grounds, waste disposal facilities and other land uses.	8/9/2024
General_Plan_Historic_CN	Community	County General Plan previous to the adoption of the new General Plan on August 3, 2011. This layer exists for historic puroposes only. It has been updated and replaced by CMTY_GENERAL_PLAN_CN.	8/30/2024
General_Plan_Housing_Element_CN	Community	Parcels included in the 2005 2010 Housing Element in existing General Plan	6/3/2022
General_Plan_Housing_Element_Inventory_GP_Update	Community	Parcels included in the 2005 2010 Housing Element in GP update	7/6/2020
General_Plan_Land_Use_SD	Community	City of San Diego General Plan Land Use adopted March 10, 2008	11/15/2024
General_Plan_Trails_CN	Community	County General Plan Trails was created to show proposed trails shown on community trails maps contained in the Community Trails Master Plan or on the Regional Trails Map in the Public Facilities Element depicting corridors of general alignments.	4/1/2022
Hex_GRID_240_Acres	Community	240 acre scale hexagonal grid as part of a three layer HexBin grid system for displaying community to sub regional data for landuse planning and Live Well analytics, e.g., rate of event per population or amount and intensity of issue per area.	1/11/2017
HEX_GRID_60_Acres	Community	60 acre scale hexagonal grid as part of a three layer HexBin grid system for displaying community to sub regional data for landuse planning and Live Well analytics, e.g., rate of event per population or amount and intensity of issue per area.	1/11/2017
Hex_Grid_960_Acres	Community	960 acre scale hexagonal grid as part of a three layer HexBin grid system for displaying community to sub regional data for landuse planning and Live Well analytics, e.g., rate of event per population or amount and intensity of issue per area.	1/11/2017
Housing_Solution_Areas	Community	This map represents parcels that may be eligible to use the Housing Solutions regulations based on their location within a Transit Priority Area and zoning for multiple dwelling units.	10/22/2024
Mobility_Zones_SD	Community	Mobility Choices aims to provide more mobility options for San Diegans to commute and recreate by streamlining development in areas of the City that are most aligned with the City's climate goals and by investing in active transportation infrastructure, s	11/8/2024
Promise_Zones_SD	Community	The San Diego Promise Zone (SDPZ) is characterized by high unemployment, low educational attainment, insufficient access	4/5/2024
Recreation_Centers_SD	Community	Recreation Centers within the City of San Diego	4/26/2024
Regional_Categories	Community	3 Regional Categories in San Diego County: Village, Semi-Rural, and Rural Lands. Not used to regulate allowed uses or intensities of individual development proposals. Instead, it is intended to provide a structure for the location of specific Land Use.	11/29/2024
Resource_Conservation_Areas	Community	This overlay identifies land requiring special attention in order to conserve resources in a manner best satisfying public and private objectives. Such areas may include goundwater problem areas, coastal wetlands, native wildlife habitat, historical sites	9/15/2014

NOTE: The "Last Update" date shown is the date a new file was upoladed to the Regional Data Warehouse web site. The date does not reflect the currency of the data within the layer. See the Metadata report for each layer to determine the currency of the data.

Layer Name	Category	Description	Last Update
Sustainable_Development_Areas	Community	The intent of these regulations is to create a mix of uses and provide distinct regulations for density, activation, and articulation that encourages pedestrian activity within Sustainable Development Areas.	10/31/2024
Village_Boundaries_CN	Community	Community Villages in County of San Diego	1/30/2017
Village_Core_Boundaries_CN	Community	The Village Core boundaries are for use with the Traffic Impact Fee Ordinance. They are loosely based on SANDAG's Smart Growth Opportunity Areas and altered based on the General Plan land uses.	1/27/2021
Zipcodes	Community	Approximate outline of area served for each US Postal Service Zip Code in San Diego County.	1/2/2024
Assembly_Bill_2011	District	Assembly Bill 2011(AB 2011) would authorize a development proponent to submit an application for a housing development that meets specified objective standards and affordability and site criteria, including being located within a zone where office, retail	5/17/2024
Cemetery_Districts	District	Cemetary District locations within San Diego County.	9/25/2024
Community_College_Districts	District	Community College Districts locations within San Diego County.	9/25/2024
Community_Service_Districts	District	Community Service District locations within San Diego County.	9/25/2024
Congressional_Districts	District	Congressional Districts per 2010 census	3/4/2022
Council_Districts	District	This dataset represents a consolidation of council district datasets from incorporated cities within the County of San Diego where districting has occured.	9/12/2024
Election_Precinct_2022_04_05	District	This election (consolidated) precinct data set has been established for the purpose of conducting the April 5, 2022 Assembly District 80 Special Primary Election and to provide election precinct information to interested parties.	2/9/2022
Election_Precinct_2022_06_07	District	This election (consolidated) precinct data set has been established for the purpose of conducting the June 7, 2022 Gubernatorial Primary Election and to provide election precinct information to interested parties.	4/20/2022
Election_Precinct_2022_11_08	District	This election (consolidated) precinct data set has been established for the purpose of conducting the November 8, 2022, Statewide General Election and to provide election precinct information to interested parties.	9/15/2022
Election_Precinct_2023_08_15	District	This election (consolidated) precinct data set has been established for the purpose of conducting the August 15, 2023, Fourth Supervisorial District Special Primary Election and to provide election precinct information to interested parties.	6/15/2023
Election_Precinct_2023_11_07	District	This election (consolidated) precinct data set has been established for the purpose of conducting the November 7, 2023, Special Election and to provide election precinct information to interested parties.	9/1/2023
Election_Precinct_2024_03_05	District	This election (consolidated) precinct data set has been established for the purpose of conducting the March 5th, 2024 Presidential Primary Election and to provide election precinct information to interested parties.	1/5/2024
Election_Precinct_2024_11_05	District	This election (consolidated) precinct data set has been established for the purpose of conducting the November 5, 2024, Presidential General Election and to provide election precinct information to interested parties.	9/5/2024
Elementary_School_Districts	District	Elementary School district locations within San Diego County. See also: SCHOOL_DISTRICTS_HIGH, SCHOOL_DISTRICTS_UNIFIED	9/26/2024
Fire_Protection_Districts	District	Fire Protection Districts within San Diego County.	9/26/2024
Flood_Districts	District	Flood Districts within San Diego County.	9/26/2024
Health_and_Human_Service_Regions_CN	District	County Health & Human Services Regions	8/30/2024
High_School_Districts	District	High School District Boundaries within San Diego. See also: SCHOOL_DISTRICTS_ELEMENTARY, SCHOOL_DISTRICTS_UNIFIED.	9/26/2024

Regional Data Warehouse Layer Updates as of 2 December 2024

NOTE: The "Last Update" date shown is the date a new file was upoladed to the Regional Data Warehouse web site. The date does not reflect the currency of the data within the layer. See the Metadata report for each layer to determine the currency of the data.

Layer Name	Category	Description	Last Update
Water_District	District	Combined Water Districts within San Diego County.	9/26/2024
Water_Districts_CWA	District	County Water Authority District	9/26/2024
Climate_Equity_Index_SD	Ecology & Parks	Climate equity index (CEI) scores for census tracts in the City of San Diego under the 2021 CEI update.	8/9/2024
Conserved_Lands	Ecology & Parks	Comprehensive inventory of land in the region that is conserved for the purpose of protecting open space and natural habitats	4/2/2024
DPR_Trail	Ecology & Parks	DPR_Trail is used by the Department of Parks and Recreation as an inventory of trails within park boundaries. This dataset is used specifically for the Parks and Recreation Asset Management System (PRAMS).	11/22/2024
Ecology_Subregions	Ecology & Parks	Ecology Subregions	6/26/2017
Environmentally_Sensitive_Areas	Ecology & Parks	Environmentally Sensitive Areas (ESA). This dataset is a combination of several elements of environmentally sensitive areas. For example, Multiple Species Conservation Program (MSCP) hardline designations, and MSCP preserved land.	8/26/2022
Environmentally_Sensitive_Areas_SD	Ecology & Parks	This dataset was developed to show areas of Environmentally Sensitive Areas (ESA) as defined in the 2024 City of San Diego Stormwater Standards Manual. The data includes ESAs and a 200 foot buffer around the ESAs, which are merged together in the dataset.	11/29/2024
Forest_Conservation_Initiative	Ecology & Parks	Forest Conservation Initiative	1/24/2012
Habitat_Evaluation_Model	Ecology & Parks	Habitat Evaluation Model was developed for prioritizing critical biological resource areas within the County of San Diego.	9/30/2014
MHPA_SD	Ecology & Parks	City of San Diego Multiple Habitat Planning Areas	11/29/2024
MSCP_CN	Ecology & Parks	This map depicts the draft South County Multiple Species Conservation Program (MSCP) plan. The goal of the MSCP is to maintain and enhance biological diversity in the region. Polygons show the MSCP designation.	7/28/2023
MSCP_East_Draft_CN	Ecology & Parks	This map depicts the draft East County Multiple Species Conservation Program (MSCP) plan. The goal of the MSCP is to maintain and enhance biological diversity in the region. Polygons show the MSCP designation.	4/26/2024
MSCP_Habitrak	Ecology & Parks	Regional MSCP Habitrak Data (loss & gain)	8/7/2024
National_Forests	Ecology & Parks	National Forests in County of San Diego. This feature class consists of administrative boundaries of the National Forests of Region 5, Pacific Southwest Region.	9/12/2024
Open_Space_Easements	Ecology & Parks	Recorded biological, recreational, open space, and conservation easements in San Diego County and local jurisdictions.	7/1/2024
Open_Space_SD	Ecology & Parks	Parcels in the City of San Diego designated as open space	5/3/2024
Parks	Ecology & Parks	This dataset comprises polygons of public parks within the County of San Diego, including open space parks and preserves. The dataset respresents a consolidation of parks datasets from the County of San Diego, incorporated cities, San Diego Port District,	11/15/2024
Parks_CN	Ecology & Parks	County Parks representing County Park-specific owned, co-owned, leased, funded or cooperatively managed park units.	11/22/2024
Parks_SD	Ecology & Parks	City of San Diego Park & Rec land. This includes public parks and Open Space parks within the CIty of San Diego.	5/3/2024
SANBIOS_Points_CN	Ecology & Parks	Sensitive Species Sightings (Points) within County of San Diego	1/29/2024
SANBIOS_Polygons_CN	Ecology & Parks	Sensitive Species Sightings (Polygons) within County of San Diego	11/15/2024
Trails_Open_Space_SD	Ecology & Parks	This feature displays all official trails within Open Space areas managed by the City of San Diego, Park and Recreation Department, Open Space Division as of 2022. This trails layer is intended to be used for Open Space Park management and trail reference	3/4/2022
Tree_Canopy_2014_SD	Ecology & Parks	Tree canopy was derived from 2014 high-resolution remotely sensed data. Object-based image analysis techniques (OBIA) were employed to extract potential tree canopy and trees using the best available remotely sensed and vector GIS datasets.	12/6/2017

NOTE: The "Last Update" date shown is the date a new file was upoladed to the Regional Data Warehouse web site. The date does not reflect the currency of the data within the layer. See the Metadata report for each layer to determine the currency of the data.

Layer Name	Category	Description	Last Update
Tree_Canopy_Metric_CommPlan_SD	Ecology & Parks	Tree Canopy (TC) Assessment metrics for San Diego, CA. This dataset consists of TC metrics summarized using the Community Plan for San Diego (Community_Plan_SD) layer.	12/5/2017
Tree_Canopy_Metric_Council_SD	Ecology & Parks	To assist in Tree Canopy assessment, evaluation, and goal setting	11/9/2017
Tree_Canopy_Metric_Hydrobasin_SD	Ecology & Parks	Tree Canopy (TC) Assessment metrics for San Diego, CA. This dataset consists of TC metrics summarized using the Hydrologic Basins (HydrologicBasins_AOI) layer.	12/5/2017
Tree_Canopy_Metric_Muni_SD	Ecology & Parks	To assist in Tree Canopy assessment, evaluation, and goal setting	11/9/2017
Tree_Canopy_Metric_Parks_SD	Ecology & Parks	Tree Canopy (TC) Assessment metrics for San Diego, CA. This dataset consists of TC metrics summarized using the Parks (PARKS_SD) layer.	12/5/2017
Tree_Canopy_Metric_SENA_SD	Ecology & Parks	Tree Canopy (TC) Assessment metrics for San Diego, CA. This dataset consists of TC metrics summarized using the California Communities Environmental Health Screening Tool (CalEnviroScreen 2.0) Results [October 2014 Update] (aka SENA_SanDiego) layer.	12/5/2017
Vegetation_CN	Ecology & Parks	Regional Vegetation to illustrate the vegetation communities and disturbed areas throughout San Diego County.	9/1/2023
Vegetation_WSD_2012	Ecology & Parks	Regional Vegetation for the Western San Diego County.	12/21/2012
Wetlands	Ecology & Parks	Current geospatially referenced information on the status, extent, characteristics and functions of wetlands, riparian, deepwater and related aquatic habitats in priority areas to promote the understanding and conservation of these resources.	12/15/2023
Grid_200ft_Topo_Index	Elevation	Was generated to catalog 200-foot topgraphic and 200-foot orthotopos available at the San Diego County Department of Public Works Survey Records counter.	6/26/2017
Grid_2014_2ft_Topo_Index	Elevation	This dataset comprises the SanGIS Grid for their 2014 2ft topogaphic data for East County San Diego.￭ The grid consists of 15 grid cells of variable size, with a 200ft overlap between grid cells.	12/2/2015
Grid_2015_5ft_Topo_Index	Elevation	This dataset comprises the SanGIS Grid for their 2015 5ft topogaphic data for Central County San Diego.￭ The grid consists of 4 grid cells of variable size, with a 200ft overlap between grid cells. ￭	2/28/2017
Slopes_CN	Elevation	This layer was generated to show County-wide relief representation, expressed as 'percent slope' and aggregated in four classifications, based on their percentages and their increase in slope severity.	9/15/2014
Steep_Slopes_25_CN	Elevation	Steep slopes (greater than 25%) for San Diego County	8/31/2015
Topo_1999_2ft_SD	Elevation	City 2 Foot Interval Contours (1999)	10/18/2003
Topo_1999_5ft_SD	Elevation	City 5 Foot Interval Contours (1999)	10/18/2003
Topo_2014_2Ft_Carlsbad	Elevation	This feature class is a subset of a larger 2014 2ft topographical dataset. This feature class covers the Oceanside, Carlsbad and Encinitas area	12/2/2015
Topo_2014_2Ft_DeLuz	Elevation	This feature class is a subset of a larger 2014 2ft topographical dataset. This feature class covers the North Oceanside, Bonsall and East Pendleton area.	12/2/2015
Topo_2014_2Ft_ElCajon	Elevation	This feature class is a subset of a larger 2014 2ft topographical dataset. This feature class covers the El Cajon, Santee and West Poway area approximately.	12/2/2015
Topo_2014_2Ft_Escondido	Elevation	This feature class is a subset of a larger 2014 2ft topographical dataset. This feature class covers the Escondido, San Pasqual, North Poway and Valley Center area approximately.	12/2/2015
Topo_2014_2Ft_Jamul	Elevation	This feature class is a subset of a larger 2014 2ft topographical dataset. This feature class covers the Jamul, Otay Mesa and West Chula Vista area approximately.	12/2/2015
Topo_2014_2Ft_LaJolla	Elevation	This feature class is a subset of a larger 2014 2ft topographical dataset. This feature class covers the City of San Diego, La Jolla, Del Mar and Solana Beach area approximately.	12/2/2015

NOTE: The "Last Update" date shown is the date a new file was uploaded to the Regional Data Warehouse web site. The date does not reflect the currency of the data within the layer. See the Metadata report for each layer to determine the currency of the data.

Layer Name	Category	Description	Last Update
Topo_2014_2Ft_MargaritaPeak	Elevation	This feature class is a subset of a larger 2014 2ft topographical dataset. This feature class covers the Margarita Peak (North Pendleton) area approximately.	12/2/2015
Topo_2014_2Ft_NationalCity	Elevation	This feature class is a subset of a larger 2014 2ft topographical dataset. This feature class covers the Imperial Beach, National City, Coronado, Lemon Grove and Chula Vista area approximately.	12/2/2015
Topo_2014_2Ft_NWPendleton	Elevation	This feature class is a subset of a larger 2014 2ft topographical dataset. This feature class covers the North West Pendleton area approximately.	12/2/2015
Topo_2014_2Ft_OceansideNorth	Elevation	This feature class is a subset of a larger 2014 2ft topographical dataset. This feature class covers the North Oceanside and Camp Pendleton area approximately.	12/2/2015
Topo_2014_2Ft_PowayLaMesa	Elevation	This feature class is a subset of a larger 2014 2ft topographical dataset. This feature class covers the Poway and La Mesa area approximately.	12/2/2015
Topo_2014_2Ft_SanMarcos	Elevation	This feature class is a subset of a larger 2014 2ft topographical dataset. This feature class covers the San Marcos, San Dieguito and Vista area approximately.	12/2/2015
Topo_2014_2Ft_SanPasqual	Elevation	This feature class is a subset of a larger 2014 2ft topographical dataset. This feature class covers the San Pasqual and Valley Center area approximately.	12/2/2015
Topo_2014_2Ft_Tijuana	Elevation	This feature class is a subset of a larger 2014 2ft topographical dataset. This feature class covers the Tijuana area.	12/2/2015
Topo_2014_2Ft_ValleyCenter	Elevation	This feature class is a subset of a larger 2014 2ft topographical dataset. This feature class covers the Valley Center area approximately.	12/2/2015
Topo_2015_5ft_JamulDulzura	Elevation	This feature class is a subset of a larger 2015 5ft topographical dataset that was created at SanGIS □ This feature class covers the Barona, Lakeside, Crest-Dehesa, Otay and Jamul-Dulzura area approximately.	2/28/2017
Topo_2015_5ft_Julian	Elevation	This feature class is a subset of a larger 2015 5ft topographical dataset that was created at SanGIS □ This feature class covers the Warner Springs, North Mountain and Julian area approximately.	2/28/2017
Topo_2015_5ft_MountainEmpire	Elevation	This feature class is a subset of a larger 2015 5ft topographical dataset that was created at SanGIS □ This feature class covers the Alpine, Central Mountain, Jamul-Dulzura, Mountain Empire area approximately.	2/28/2017
Topo_2015_5ft_PalaPauma	Elevation	This feature class is a subset of a larger 2015 5ft topographical dataset that was created at SanGIS □ This feature class covers the Fallbrook, Rainbow, Bonsall, Pala-Pauma, North County Metro and Ramona area approximately	2/28/2017
Topo_40ft_1999_SG	Elevation	SANDAG 40 foot Contours. USGS 7.5 minute contour data created by SDSU	1/1/2005
Fire_Agencies	Fire	Intended for Fire Services personnel to identify areas that are served by specific agencies responsible for fire protection	8/9/2024
Fire_Battalion_Districts	Fire	Fire Battalion Districts	8/29/2017
Fire_Burn_History	Fire	Fire perimeters throughout the County of San Diego	7/7/2023
Fire_Engine_Districts	Fire	Fire Engine Districts	8/28/2017
Fire_Hazard_Severity_Zones	Fire	Areas of significant fire hazards	8/30/2024
Fire_Hazard_Severity_Zones_SD	Fire	Areas of significant fire hazards within the City of San Diego	12/11/2020
Fire_Prescription_Burn	Fire	Fire perimeter of prescribed burns from multiple agencies (NOT ROCKY)	7/1/2022
Fire_Stations_CN	Fire	County-wide Fire Stations (Contains only active stations - seed = 'Y')	11/29/2024
Firesafe_Councils	Fire	Locations and Boundaries of Firesafe Councils	3/1/2013
Firestorm_2007_Damages_CN	Fire	Fire Damage Locations in Uninc. Cnty, Escondido, SM, Vista, Poway. These data are not intended to pinpoint the exact location of the damage, rather just to assign damage assessment report to the correct parcel.	10/9/2014

NOTE: The "Last Update" date shown is the date a new file was upoladed to the Regional Data Warehouse web site. The date does not reflect the currency of the data within the layer. See the Metadata report for each layer to determine the currency of the data.

Layer Name	Category	Description	Last Update
Adult_Residential_Facilities	Health and Safety	This dataset consists of points for the location all of Adult Residential Facilities in San Diego County geocoded from address information obtained from the Community Care Licensing Division of the California Department of Social Services (CCLD).	11/8/2024
CA_Bridge_Hospitals	Health and Safety	Here you can find substance use and medication assisted treatment (MAT) resources in San Diego County.	9/12/2024
Child_Care_Centers	Health and Safety	This dataset consists of points for the location all of the child care centers in San Diego County geocoded from address information obtained from the Community Care Licensing Division of the California Department of Social Services (CCLD).	9/26/2024
Elder_Care_Facilities	Health and Safety	This dataset consists of points for the location all of Residential Elder Care Facilities in San Diego County geocoded from address information obtained from the Community Care Licensing Division of the California Department of Social Services (CCLD).	11/8/2024
Health_Places_Index_3_0	Health and Safety	The California Health Places Index (HPI 3.0) summarizes the healthiness of community conditions of California census tracts based on the distribution of 23 indicators of social determinants of health. □ □	9/5/2024
Healthcare_Facilities	Health and Safety	The Licensed Healthcare Facilities map layer provides location information for mapping healthcare facilities licensed by California Department of Public Health, Licensing and Certification.	7/19/2024
Medication_Assisted_Treatment_Locations	Health and Safety	Medication-Assisted Treatment Locations in the County of San Diego from the Institute for Public Strategies.	11/8/2024
Naloxone_Distribution_Locations	Health and Safety	Naloxone distribution locations provided by San Diego County Substance Use and Overdose Prevention Taskforce.	9/12/2024
Naloxone_Vending_Machines	Health and Safety	Naloxone vending machines. Site location provided by County of San Diego Behavioral Health Services.	9/12/2024
Prescription_Drug_Drop_Off_Sites	Health and Safety	Safe Disposal Locations of prescription drugs in the County of San Diego from the Institute for Public Strategies.	11/8/2024
Active_Faults_CN	Hydrology & Geology	Faults which are known to have been active during Holocene time within the past 11,000 years.	1/3/1996
Bays	Hydrology & Geology	The dataset provides polygon features for bays in San Diego County. The layer is intended for use for cartographic purposes	12/18/2020
BMP_CN	Hydrology & Geology	Locations of permit sites subject to Best Management Practices (BMP).	11/29/2024
Dam_Inundation_DSOD	Hydrology & Geology	To show the extent of dam inundation areas for extremely high, high and significant hazard dams and their critical appurtenant structures located within San Diego County. The dataset does not include low hazard dams.	3/11/2022
Dams	Hydrology & Geology	Dams within the County of San Diego	9/24/2021
Facilities_303D_Combined	Hydrology & Geology	These are businesses and agricultural facilities that may be subject to inspection for potential polluting activies. These were drawn from lists maintained by County of San Diego Watershed Protection and Agricultural Weights and Meaures.	11/29/2024
Flood_Panels	Hydrology & Geology	FEMA Flood Panels (2009) (Replaced Hyd_Floodpan for 1997)	6/26/2017
Floodplain	Hydrology & Geology	FEMA Flood Plains	11/29/2024
Floodplain_100_Year_CN	Hydrology & Geology	This layer was created to represent unincorporated areas most likely to be subjected to inundation by a 100-year flood.	6/3/2022
Floodway_100_Year_CN	Hydrology & Geology	This layer was created to represent floodway channels of unincorporated watercourses, during a 100-year flood event.	4/1/2022
Flowlines_Carto	Hydrology & Geology	This layer comprises plylines for major watercourses in San Diego County. The layer was developed by SanGIS for cartographic purposes depicting major watercourses within the County.	5/1/2017

NOTE: The "Last Update" date shown is the date a new file was upoladed to the Regional Data Warehouse web site. The date does not reflect the currency of the data within the layer. See the Metadata report for each layer to determine the currency of the data.

Layer Name	Category	Description	Last Update
geology_near_source_shaking_cn	Hydrology & Geology	Near-Source Zones for calculating base shear, which accounts for high ground motion and damage that have been observed within a few kilometers of historic earthquake ruptures.	9/24/2021
Hydrological_Basins	Hydrology & Geology	Basins and Watersheds. CalWater ver 2.2.1 data.	8/10/2016
Isopluvials	Hydrology & Geology	Isopluvials with a 1-inch contour interval derived from the 300-foot rainfall raster dataset. This layer was created to identify annual averages of precipitation, expressed in inches and based on a 30-year annual average.	9/30/2014
Isopluvials_85_Percent	Hydrology & Geology	The 85th percentile isopluvial is used for determining the size of certain stormwater facilities, as specified in the County's Hydrology Manual. Revised 12/15/15.	6/22/2017
NHD_Flowlines	Hydrology & Geology	Comprises polyline water features that contain flow (i.e. artificial path, canal/ditch, coastline, connector, pipeline, stream/river, underground conduit). Originated from NHD.Hydrography NHDFlowline dataset.	12/22/2023
NHD_Waterbody	Hydrology & Geology	Features representing areal NHD hydrographic waterbody features. Some Waterbody features such as LakePond, Reservoir, and Estuary must have a reachcode. SwampMarsh may have a reachcode. Ice Mass and Playa do not have reachcodes.	1/2/2024
Pacific_Ocean	Hydrology & Geology	Pacific Ocean Along San Diego County. This dataset comprises a single polygon representing a portion of the Pacific Ocean along the southern California coast. The layer is for cartographic use on maps.	9/4/2018
PDP_CN	Hydrology & Geology	Locations of Priority Development Project (PDP) areas. Priority Development Project (PDP) areas subject to Best Management Practices in San Diego unincorporated areas	8/30/2024
Potential_Liquefaction_CN	Hydrology & Geology	These data have been created for the purpose of screening for geologic hazards. They were created at a regional scale and are not to be used to make parcel specific decisions.	6/22/2017
Precipitation	Hydrology & Geology	Polygon layer of County-wide 30 year average precipitation zones expressed as a range of 3-inch intervals.	12/24/2014
RMA_Survey_Zone	Hydrology & Geology	These polygons delineate initial survey zones of residential areas for assessment and prevention of urban runoff with the County's Unincorporated Area.	9/24/2021
Soils	Hydrology & Geology	USDA Soils	5/24/2024
Soils_Hydro_Group	Hydrology & Geology	To show soil HYDROLOGIC GROUP. May be used for hydrologic runoff calculations. This data is specified for use with certain methods described in the San Diego County Hydrology Manual, published by County of San Diego Department of Public Works.	9/24/2021
Tsunami_Hazard_Area	Hydrology & Geology	This Tsunami Hazard Area is prepared to assist cities and counties in identifying their exposure to tsunami hazards. It is intended for local jurisdictional, coastal evacuation planning uses only. ☐ NOT PUBLIC UNTIL 11/1/2022	11/1/2022
Tsunami_Hazard_Line	Hydrology & Geology	This Tsunami Hazard Area is prepared to assist cities and counties in identifying their exposure to tsunami hazards. It is intended for local jurisdictional, coastal evacuation planning uses only. ☐ NOT PUBLIC UNTIL 11/1/2022	11/1/2022
Tsunami_Inundation_Area	Hydrology & Geology	Tsunami Inundation areas along the County of San Diego	4/20/2016
Tsunami_Inundation_Line	Hydrology & Geology	Tsunami Inundation lines along the County of San Diego	4/20/2016
Waters_Line_303D	Hydrology & Geology	This layer includes all impaired linear water bodies for the combined 2014 and 2016 Integrated Report. ☐ SanGIS has selected features from this dataset that intersect the boundaries of the HU8 water basins in the San Diego County area.	12/22/2023

NOTE: The "Last Update" date shown is the date a new file was uploaded to the Regional Data Warehouse web site. The date does not reflect the currency of the data within the layer. See the Metadata report for each layer to determine the currency of the data.

Layer Name	Category	Description	Last Update
Waters_Poly_303D	Hydrology & Geology	This layer includes all impaired polygonal water bodies for the combined 2014 and 2016 Integrated Report. □ SanGIS has selected features from this dataset that intersect the boundaries of the HU8 water basins in the San Diego County area (SanGIS HYD_BAS	12/22/2023
Watersheds	Hydrology & Geology	This dataset comprises polygons of the 10-digit Hydrologic Unit Watersheds in the San Diego Area.	5/3/2024
Watersheds_WMA	Hydrology & Geology	watersheds boundaries clipped to extent of San Diego County. HYD_BASIN dataset was used as starting point and dissolved on hydrology name. Also added Mission bay as watershed per Department of Public Works, Watershed Protection Program.	6/6/2024
Wells	Hydrology & Geology	Wells (unincorporated area only)	8/31/2015
WP_Sites	Hydrology & Geology	Department of Public Works Watershed Protection Sites. Information is collected from field visits. Sites represents outfall point from Drainage areas	6/28/2024
WPP_Drainage_Basins	Hydrology & Geology	MS4 (Municipal Separate Storm Sewer System) outfall drainage areas in the unincorporated areas of San Diego County..	9/22/2023
Ambulance_Operating_Areas	Jurisdiction	This dataset comprises Ambulance Operating Areas as defined by San Diego County EMS.	8/26/2022
Coastal_Zones	Jurisdiction	These data represent Coastal Zone Boundaries within the County of San Diego, based on municipal boundaries from the JUR_MUNICIPAL layer and the Coastal Commission boundary for the landward extent. Coastal Zones within the City of San Diego are further su	11/19/2018
Evacuation_Zones	Jurisdiction	Polygons represent San Diego County-wide evacuation zone boundaries.	12/4/2023
Indian_Reservation	Jurisdiction	Polygons representing Indian Reservations in San Diego County.	7/1/2024
Law_Beats_Port	Jurisdiction	Port of San Diego Harbor Police Beats	5/13/2022
Law_Beats_Public	Jurisdiction	ARJIS Law Beats	10/3/2024
Municipal_Boundaries	Jurisdiction	This layer is used as an overlay to locate and identify parcels that correspond to their specific jurisdiction. The dataset will be updated when notified by the San Diego Local Agency Formation Commission (LAFCO) of a recorded annexation or detachment and	12/2/2024
Municipal_Boundaries_ASR	Jurisdiction	Municipal boundaries published on an annual basis following the completion of Tax Rate Area updates.□ Used as an overlay to locate and identify parcels that correspond to their specific jurisdiction.	10/16/2023
Public_Safety_Jurisdictions	Jurisdiction	Polygons representing law enforcement response responsibility in the County of San Diego. Special Jurisdictions based on ARJIS Beats	7/1/2024
San_Diego_County_Boundary	Jurisdiction	County Boundary	9/26/2024
SDPD_Beats	Jurisdiction	Polygons representing City of San Diego Police Department (SDPD) law beats and the names used by the SDPD to refer to those neighborhoods. These boundaries do not represent legal neighborhoold boundaries.	10/3/2024
State_with_County_Boundaries	Jurisdiction	State of California with county boundaries. This feature class is used for cartographic purposes, for generating staistical data, and for clipping data.	9/12/2024
Trauma_Areas	Jurisdiction	Trauma Areas	6/19/2018
Vicinity	Jurisdiction	Vicinity (surrounding counties, Baja & ocean). This dataset comprises polygons of Counties and water bodies in the vicinity of San Diego County for cartographic purposes.	10/10/2016
City_Owned_Lands	Land Use	San Diego city owned land within the County of San Diego	5/5/2023
Land_Ownership_SG	Land Use	2019 Base Year Public Land Ownership for the Series 12 Regional Growth Forecast	3/15/2024
Landcover_SD	Land Use	High resolution land cover dataset for [CITY OR COUNTY, STATE]. Seven land cover classes were mapped: (1) tree canopy, (2) grass/shrub, (3) bare earth, (4) water, (5) buildings, (6) roads, and (7) other paved surfaces. The primary sources used to derive t	7/30/2018

NOTE: The "Last Update" date shown is the date a new file was upoladed to the Regional Data Warehouse web site. The date does not reflect the currency of the data within the layer. See the Metadata report for each layer to determine the currency of the data.

Layer Name	Category	Description	Last Update
Landuse_Planned_2050	Land Use	Planned land use for the Series 12 Regional Growth Forecast 2050	10/9/2014
Military_Facilities	Land Use	A summary list of military-owned and leased lands in San Diego County. All major facilities are depicted. Some military-owned housing units are not depicted.	2/21/2017
Address_Points	Landbase	This dataset comprises SITUS address points (as opposed to owner or mailing addresses) for jurisdictions within the County of San Diego. Addresses include the corresponding Assessor Parcel Number (APN).	12/2/2024
Address_Points_NG911	Landbase	This dataset comprises SITUS address points (as opposed to owner or mailing addresses) for jurisdictions within the County of San Diego adjusted to comply with NG911 schema.	12/2/2024
Assessor_Book	Landbase	Polygons representing the geographic extents of each of the County of San Diego's Assessor Parcel Map books.	7/1/2024
Control_Monuments	Landbase	Control Monuments. This GIS layer serves to document the location, type and source of survey control monuments, within the State Plane Coordinate system (specifically State Plane California Zone 6, FIPS 0406 and NAD83 and NAD 27 datums).	3/5/2017
Lots	Landbase	This dataset comprises legally subdived lots (tracts or land parcels) in the County of San Diego. These lots pertain to land ownership as compared with Assessor Parcels which represent 'taxable' parcels.	7/1/2024
Parcel_Historical	Landbase	Hitorical Parcel polygons	12/2/2024
Parcels	Landbase	Parcels in San Diego County (stacked condos) (No Property Characteristics)	12/2/2024
Parcels_East	Landbase	Parcels in East Portion of San Diego County. Polygons representing current taxable parcels in San Diego County and some non-taxable parcels.	12/2/2024
Parcels_North	Landbase	Parcels in Northwest Portion of San Diego County. Polygons representing current taxable parcels in San Diego County and some non-taxable parcels.	12/2/2024
Parcels_South	Landbase	Parcels in Southwest Portion of San Diego County. Polygons representing current taxable parcels in San Diego County and some non-taxable parcels.	12/2/2024
Public_Land_Survey	Landbase	US public lands survey subdivisions (section, township, range) for the County of San Diego.	7/1/2024
Subdivision	Landbase	Polygon layer representing the overall boundary of recorded subdivisions in San Diego County. Layer shows only the extent of the subdivision map recorded and does not include individual lots created by the recorded subdivision. LOTS layer that information	7/1/2024
Subdivision_Line	Landbase	Line features of SUBDIVISION layer. Individual line segments along the overall boundary of recorded subdivision maps in San Diego County. Line segments are used in creation of SUBDIVISION layer polygons and indicate type of boundary line for each segment.	7/1/2024
ABC_Licenses	Miscellaneous	This dataset consists of points for the location of Alcoholic Beverage Control Licenses in San Diego County geocoded from address information obtained from the California Department of Alcoholic Beverage Control	11/29/2024
Broadband_Business_CPUC	Miscellaneous	This layer represents the results of California's broadband data collection for facilities-based providers with wireline and/or fixed wireless broadband technologies available to businesses.☐ SanGIS extracted data for San Diego County.	10/27/2023
Broadband_Consumer_CPUC	Miscellaneous	This layer represents the results of California's broadband data collection for facilities-based providers with wireline and/or fixed wireless broadband technologies available to consumers.☐ ☐ SanGIS extracted data for San Diego County.	10/27/2023

NOTE: The "Last Update" date shown is the date a new file was upoladed to the Regional Data Warehouse web site. The date does not reflect the currency of the data within the layer. See the Metadata report for each layer to determine the currency of the data.

Layer Name	Category	Description	Last Update
Broadband_Mobile_CPUC	Miscellaneous	This layer represents the results of California's broadband data collection for facilities-based providers with mobile wireless broadband technology available to consumers as advertised by mobile providers.☐ ☐ SanGIS extracted data for San Diego County.	10/27/2023
Building_Outlines	Miscellaneous	Building Outline polygons to support SANDAG's land inventory system (SPACECORE).	8/2/2018
Call_Box	Miscellaneous	This dataset contains a point for call box systems along freeways and highways in San Diego County.	1/13/2023
CIP_Boundary	Miscellaneous	The Capital Improvement Program consists of improvements to roads and bridges; facilities at the eight County-owned and operated airports and airstrips; flood control facilities in unincorporated developed areas; and wastewater facilities owned and operat	10/3/2024
CIP_Line_SD	Miscellaneous	This dataset provides a portion of all Capital Improvements Program (CIP) projects within the City of San Diego. The captured projects in this dataset are all CIP projects that can be geospatially represented by line project alignments.	11/29/2024
CIP_Point_SD	Miscellaneous	This dataset provides a portion of all Capital Improvements Program (CIP) projects within the City of San Diego. The captured projects in this dataset are all CIP projects that can be geospatially represented by point project alignments.	11/29/2024
CIP_Poly_SD	Miscellaneous	This dataset provides a portion of all Capital Improvements Program (CIP) projects within the City of San Diego. The captured projects in this dataset are all CIP projects that can be geospatially represented by polygon project alignments.	11/29/2024
Grid_2019_Aerial_3_Inch_Urban	Miscellaneous	Delivery grid tiles for the 3-inch GeoTIFF Nearmap image mosaic for the urban core to support the needs of SanGIS. Other uses expected. Grid tiles are 1 mile x 1 mile.	5/6/2022
Grid_2019_Aerial_9_Inch_Tile	Miscellaneous	Delivery grid tiles for the 9-inch GeoTIFF NearMap orthogonal image mosaic to support the needs of SanGIS. Other uses expected. Grid tiles are 1 mile by 1 mile.	11/9/2020
Grid_2023_Aerial_9_Inch_Tile	Miscellaneous	Delivery grid tiles for the 9-inch GeoTIFF Nearmap image mosaic for the San Diego County to support the needs of SanGIS. Other uses expected. Grid tiles are 1 mile x 1 mile.	3/24/2023
Grid_SanGIS	Miscellaneous	Polygons for grid tiles covering San Diego County. Most grid tiles are 6000 ft East-West x 4000 ft North-South, Certain less populated areas are divided into 12,000 ft x 8,000 ft tiles.	1/15/2015
Grid_USGS75	Miscellaneous	USGS 7.5 Grid	1/15/2015
Grid_USNG_10K	Miscellaneous	US National Grid 10KM Grid for San Diego County	4/23/2024
Grid_USNG_1K	Miscellaneous	US National Grid 1KM Grid for San Diego County	4/23/2024
Hazards_Unexploded_Ordnance	Miscellaneous	To show a geographical area were additional planning and Land Use development action needs to be taken in order to avoid injury or damage due to unexploded ordinances.☐	9/30/2014
Mobile_Home_Park_CN	Miscellaneous	This data layer displays Mobile Home Parks within the unincorporated region of San Diego County. This layer was created using an excel table with a list of Mobile Home Park Permits and their APNs.	3/6/2018
Permits_Discretionary	Miscellaneous	County Discretionary Permits	11/29/2024
Wastewater_Mapbook_Grid_CN	Miscellaneous	San Diego County Sanitation District map book grid	9/24/2021
Airport_Runways	Place	Airport Runway	8/31/2015
Casinos	Place	Casinos in San Diego County	10/21/2022
Colleges_SG	Place	San Diego county colleges, universities, and other postsecondary education schools.	5/17/2024

NOTE: The "Last Update" date shown is the date a new file was upoladed to the Regional Data Warehouse web site. The date does not reflect the currency of the data within the layer. See the Metadata report for each layer to determine the currency of the data.

Layer Name	Category	Description	Last Update
Gas_Stations	Place	This dataset consists of points for the location of gas stations in San Diego County geocoded from address information obtained from the Department of Agriculture, Weights and Measures.	3/22/2024
Hospitals	Place	This hospital point layer provides location information for mapping hospital facilities licensed by California Department of Public Health, Licensing and Certification. The dataset is a subset of the OSHPD Healthcare Facility dataset to include only faci	7/19/2024
HRB_Designated_Resources_SD	Place	This point feature layer represents the Designated Histroic Sites as mapped by the City Planning staff at the Development Services Department.	10/9/2020
Law_Enforcement_Facilities	Place	Law Enforcement Facilities in San Diego County	8/23/2024
Library	Place	Libraries in the County of San Diego	10/31/2024
Lifeguard_Stations_CN	Place	This Lifeguard stations layer is created to show locations of lifeguard stations in City beaches within San Diego County.	4/21/2023
Permit_Cell_Sites_CN	Place	Cell Site permits in the unincorporated County of San Diego.	11/29/2024
Places	Place	Location of areas and specific features such as buildings and mountain tops. Created to represent area features as point features on small scale mapping efforts.	10/31/2024
Ports_of_Entry_CA_Mexico	Place	Ports of Entry Between California and Mexico	10/31/2016
Recreation_Centers_CN	Place	County of San Diego, Dept. of Park & Rec. Teen & Comm. Recreation Centers	6/26/2017
School_Poly	Place	Public and private grade school sites. Includes elementary, middle, and high schools. Used for mapping and analysis. Used for Crime Mapping proximity analysis (Jessica's Law).	8/9/2024
Schools	Place	Public and private grade school sites. Includes elementary, middle, and high schools. Used for mapping and analysis. When associated with enrollment, used for transportation trip modeling and analysis.	8/9/2024
Waste_Facilities	Place	Waste Facilities within and bordering San Diego County	8/31/2015
Bikeways	Transportation	Bikeways in the San Diego region.	10/31/2024
CALTRANS_Urban_Area	Transportation	The 2020 adjusted urban area file represents the current Federal Highway Administration (FHWA) approved Caltrans adjusted urban area boundaries in California.	9/19/2023
Rail_SG	Transportation	The Railroads layer depicts railroad network features for the San Diego region, Imperial County, southern Orange and Riverside Counties, and northern Baja, CA Mexico.	4/8/2022
Right_of_Way	Transportation	This dataset consists of polygons showing dedicated rights-of-way (ROW) within the County of San Diego. The dataset is a subset of the Parcel dataset where sub-type=5. Rights-of-way are shown whether they are improved (constructed) or not build out.	12/2/2024
Road_Segments	Transportation	This dataset comprises road segments (both active and inactive) of roads maintained by the County of San Diego or in the inventory because other County assets exist on it. This was created to assist in the management of the county's road related assets.	11/29/2024
Roads_All	Transportation	This dataset comprises centerline segments for roads (both active and inactive, public and private, constructed or of record) in San Diego County based on data received from all official jurisdictions within the County (the County and 18 cities).	12/2/2024
Roads_All_NG911	Transportation	This dataset comprises centerline segments for roads (both active and inactive, public and private, constructed or of record) in San Diego County based on data received from all official jurisdictions within the County (the County and 18 cities) adjusted	12/2/2024

NOTE: The "Last Update" date shown is the date a new file was upoladed to the Regional Data Warehouse web site. The date does not reflect the currency of the data within the layer. See the Metadata report for each layer to determine the currency of the data.

Layer Name	Category	Description	Last Update
Roads_Collector	Transportation	This dataset comprises centerline segments for roads in San Diego County that are designated as Arterial or Collector streets. This data is derived from the SanGIS ROADS_ALL layer and contains all road centerline segments where the attribute SEGCLASS = 4	12/2/2024
Roads_Freeway	Transportation	Freeways	12/2/2024
Roads_Freeway_Ramp	Transportation	Freeway on and off ramps	12/2/2024
Roads_Highway	Transportation	Highways. This dataset comprises centerline segments for roads in San Diego County that are designated as Highways or State Routes. This data is derived from the SanGIS ROADS_ALL layer (SEGCLASS = 2).	12/2/2024
Roads_Intersection	Transportation	Intersections. This dataset consists of points which represent intersection nodes at the end of individual road segments in the SanGIS ROADS_ALL layer.	12/2/2024
Roads_Major_SG	Transportation	Existing major roads of San Diego County, northern Baja CA, Orange Co., Riverside Co., and Imperial Co.	8/27/2018
Transit_Districts	Transportation	Transit Districts in the San Diego Region	9/26/2017
Transit_Priority_Areas	Transportation	Transit Priority Areas in the City of San Diego	3/3/2023
Transit_Routes_GTFS	Transportation	Public transit routes covering the County of San Diego. Data is developed from the General Transit Feed Specification (GTFS) data available from the GTFS Data Exchange.	10/3/2024
Transit_Stops_GTFS	Transportation	Public transit stops and stations covering the County of San Diego. Bus, commuter and light rail, and trolley stops managed by the San Diego County Metropolitan Transit System (MTS) and the North County Transit District (NCTD).	10/3/2024
VMT_Efficient_CN	Transportation	Provides an average VMT per [Resident, Employee, Service Population] per Traffic Analysis Zone (TAZ) that projects can use for their VMT if they generate less than 2,400 driveway average daily trips .	6/9/2023
VMT_Efficient_EMP_CN	Transportation	Provides an average VMT per [Employee] per Traffic Analysis Zone (TAZ) that projects can use for their VMT if they generate less than 2,400 driveway average daily trips .	6/9/2023
VMT_Efficient_RES_CN	Transportation	Provides an average VMT per [Resident] per Traffic Analysis Zone (TAZ) that projects can use for their VMT if they generate less than 2,400 driveway average daily trips .	6/9/2023
VMT_Efficient_SP_CN	Transportation	Provides an average VMT per [Service Population] per Traffic Analysis Zone (TAZ) that projects can use for their VMT if they generate less than 2,400 driveway average daily trips	6/9/2023
VMT_Infill_CN	Transportation	Indicates areas within the unincorporated county that are within "Infill Areas." Most discretionary projects that are located within these areas are considered to have a less than significant impact for CEQA/transportation and are "screened out" from fur	11/24/2024
Drain_Conveyance	Utilities	City Storm Drain Channels and Pipes	11/22/2024
Drain_Structure	Utilities	City Storm Drain Structures	11/22/2024
Recycled_Water_Main	Utilities	A filtered export to show the location of Recycled Water Mains as they are part of the City of San Diego's Reclaimed Water System.	11/29/2024
Road_Channels	Utilities	Channels in the unincorporated San Diego County. Most are maintained either by road fund crews or flood control district crews. Some private channels are also included in this dataset.	5/24/2024
Road_Culverts	Utilities	Culverts in the unincorporated San Diego County. Most are maintained either by road fund crews or flood control district crews. Some private culverts are also included in this dataset.	9/26/2024
Road_Street_Lights	Utilities	This dataset comprises points for street lights (both active and inactive) either maintained or paid for its use by the County of San Diego Special Districts.	11/29/2024

NOTE: The "Last Update" date shown is the date a new file was upoladed to the Regional Data Warehouse web site. The date does not reflect the currency of the data within the layer. See the Metadata report for each layer to determine the currency of the data.

Layer Name	Category	Description	Last Update
Road_Traffic_Signals	Utilities	This dataset comprises point locations for traffic signals (both active and inactive) on roads maintained by the County of San Diego and was created to assist in the management of the county's road related assets.	8/18/2023
Sewer_Main_SD	Utilities	To show the location of Wastewater Mains as they are part of the City of San Diego's Wastewater Collection System	11/29/2024
