Reports

+5. Oral History Insights and Reflections on Tribal Transportation and Mobility in San Diego

Theresa Gregor, California State University, Long Beach Professor & SCTCA Liaison

Dr. Theresa Gregor will present her research, based on oral history interviews with Tribal leaders, documenting gaps, lessons learned, and best practices to improve engagement between San Diego Tribes and regional partners, while addressing Tribal transportation needs.

+6. Regional Zero-Emission Vehicle Incentive Program Development Overview

Samaya Elder, SANDAG

SANDAG staff will provide an overview of the development of a regional incentive program for zero-emission vehicles and seek input on implementation considerations.

+7. Regional Climate Action Plan

Susan Freedman, SANDAG

Staff will present an update on the regional Priority Climate Action Plan, planned approach to develop the Comprehensive Climate Action Plan, and opportunities for collaboration.

+8. Workforce Opportunities for Rising Careers

Elaine Richardson, SANDAG

Staff will present the Workforce Opportunities for Rising Careers Initiative, promoting workforce equity and access to SANDAG construction jobs.

+9. Coastal Resilience Master Plan

Julia Chase, City of San Diego

City of San Diego staff will present the Coastal Resilience Master Plan, which identifies nature-based solutions to improve resilience to sea level rise while benefiting wildlife, habitat, and coastal resources.

+10. 2024 Tribal Summit Recap and Discussion

Paula Zamudio, SANDAG

SANDAG staff will present a summary of the 2024 San Diego Regional Tribal Summit, including the recommendations shared during the event.

11. Adjournment

Jamul Indian Village of California Chairwoman Erica M. Pinto, Tribal TWG Co-Chair
