The San Diego Region Conformity Working Group (CWG) meeting originally scheduled for November 19, 2003 has been cancelled. On that date, Federal Highway Administration, Federal Transit Administration, and Caltrans are sponsoring a workshop in Sacramento on planning, programming, and air quality related to the upcoming 2004 Regional Transportation Improvement Program (RTIP).

Please reserve December 17, 2003 for a meeting of the San Diego Region CWG to discuss the outcome of this workshop, the timeline for the preparation of the 2004 RTIP and its conformity assessment, as well as the U.S. Environmental Protection Agency's proposal to amend the transportation conformity rule for the eight-hour ozone and PM<sub>2.5</sub> standards.

Please contact me at (619) 595-5336 or by e-mail at ear@sandag.org if you have any questions.
