Action: **Information**

### August 5, 2020, Meeting Minutes

Senior Regional Planner Rachel Kennedy called the meeting of the San Diego Region Conformity Working Group (CWG) to order at 10:33 a.m.

#### 1. Welcome and Introductions

Rachel Kennedy introduce Associate Regional Planner Sam Sanford as the new staff liaison to the CWG and facilitator of the CWG meetings. Attendees joining by browser were introduced. An attendance list is included.

#### 2. Meeting Minutes (Information)

Sam Sanford asked the CWG to review the minutes from its July 1, 2020, meeting. No comments or corrections were made.

#### 3. Public Comments/Communications/Member Comments

No public comments were made.

### Reports

#### 4. Ozone State Implementation Plan Development (Discussion)

Nick Cormier (Air Pollution Control District [APCD]), provided an overview of outreach efforts APCD has completed for the Draft Ozone Attainment Plan for San Diego County. These included direct communications to stakeholders, targeted outreach, a social media program, website posting, and translation of materials. APCD is tracking and replying to questions and comments related to the plan. The public comment period for the plan ended on July 31, 2020. The plan is scheduled to go to the APCD board this fall and will then be submitted to CARB.

#### 5. 2021 Regional Transportation Improvement Program: Draft Project List (Discussion)

Senior Financial Programming Analyst Sue Alpert provided a review of the Draft Project List for the 2021 Regional Transportation Improvement Program (RTIP). The project list was distributed to the CWG on July 31, 2020, as part of the interagency consultation process. There are approximately 60 capacity increasing projects and 390 non-capacity increasing projects in the 2021 RTIP. Comments on the 2021 RTIP project lists are requested by August 14, 2020.

#### 6. Emission Factors 202x Development and Workshop (Discussion)

Nesamani Kalandiyur (California Air Resources Board [CARB]), provided an overview of the recent all-day CARB workshop on the development of a new version of Emission Factors emission modeling tool (EMFAC). Changes included in EMFAC 202x include new modules, and features, additional online functionality, and source data and regulation updates. The third public workshop on EMFAC 202x is expected this winter and will focus on the impacts of the model updates.

## 7. Upcoming Meetings (Information)

The next CWG meeting is scheduled for Wednesday, September 2, 2020, at 10:30 a.m.

SANDAG has two upcoming meetings on the 2021 Regional Plan: Friday September 7, and August 14. The SANDAG website has information on how to join these virtual meetings.

## 8. Adjournment
