Absent: City of Chula Vista, City of National City, and City of San Diego.

5. Chula Vista Bayfront Development (Information)

Stephanie Shook, Port of San Diego, provided an update on the Chula Vista Bayfront Development project. The 19-acre site will include 100,000 square feet of open space and the shared use paths will connect to both the Sweetwater Bicycle Path and Promenade Projects. The Sweetwater Park and Harbor Park phases are currently in final design, with design for the hotel and convention center next.

6. Barrio Logan Segment Status Report (Information)

Senior Regional Planner Chris Carterette provided an update on the project's final design, schedule, and budget. In term of project design, SANDAG is currently working with the City of San Diego on a third round of plan review, with construction scheduled to begin in early 2021 pending these reviews and approvals. David Zajac, Navy Base San Diego, asked for assistance with an SDG&E utility pole relocation needed in order to facilitate a second right turn from southbound Harbor Drive into the main gate.

7. Border to Bayshore Bikeway Project Update (Information)

Associate Planner Alison Moss provided a project overview from the San Ysidro International Border Crossing to the connection with the Bayshore Bikeway at Bikeway Village. SANDAG recently submitted this project to the City of San Diego for review and permitting and is currently working through design comments. Staff also presented an overview to the City of Imperial Beach Design Review Board. Pending approvals and permits, the project is scheduled to go to construction in early 2022.

8. 8B Segment Status Report (Information)

Senior Engineer Omar Atayee provided an update to the Working Group on the 8B Segment, the project is still in the right-of-way phase, pending approval by the City of San Diego and property owners. Once the right-of-way phase is complete, SANDAG plans to complete final design.

9. Bayshore Bikeway Signage Improvements (Information)

Public Communications Officer Natalie Cushman provided an update to the Working Group on an upcoming project to design and install new signage along the Bikeway including additional wayfinding signage and new "You Are Here" signs as part of a Neighborhood Reinvestment Program grant from the County of San Diego. Working Group members expressed an interest in reviewing the draft signs prior to finalizing. Staff will bring back additional details at the next meeting.

10. Bikeway Ridership Comparisons (Information)

Associate Regional Planner Josh Clark presented ridership comparisons regularly monitored by SANDAG on eight current or future bikeway corridors. Continuous counts data were compared between May 2019 and May 2020 and showed a 91% increase in bicycle volumes. For the automated counter located near the City of Chula Vista/City of National City boundary on the Bayshore Bikeway, counts increased 140% between May 2019 and May 2020.
